

The Seaforth High School Marching, Concert, Symphonic, and Jazz Bands are dedicated to fostering musical excellence, teamwork, and community spirit through the art of both marching and concert performance. We strive to inspire students to reach their fullest potential, develop a lifelong appreciation for music, and create memorable experiences that unite our school and our community.

Together, we embrace discipline, creativity, and passion, celebrating our achievements both on and off the field, as well as on whatever stage we are.

Your generous donation will directly support our program and mission by helping us:

- *Repair and purchase essential instruments*
- *Provide uniforms and marching shoes*
- *Acquire necessary equipment*
- *Fund participation in competitions*
- *Cover drill design and instructor costs*
- *Support transportation to performances and competitions*
- *Acquire new music for our repertoire*

Every contribution makes a meaningful impact on our students' growth and success in Chatham County.
